WHAT IS THE WPWPCA?

The WPWPCA is a non-profit professional organization dedicated to the advancement of knowledge in design, construction, operation, maintenance, and management of sewage and industrial waste treatment plants. To further these efforts the Western Section is affiliated with the Pennsylvania Water Environment Association and the Water Environment Federation.

The Western Section consists of the following counties:

<i>Allegheny</i>	<i>Erie</i>	<i>Lawrence</i>
<i>Armstrong</i>	<i>Fayette</i>	<i>Mercer</i>
<i>Beaver</i>	<i>Forest</i>	<i>Venango</i>
<i>Butler</i>	<i>Greene</i>	<i>Warren</i>
<i>Clarion</i>	<i>Indiana</i>	<i>Washington</i>
<i>Crawford</i>	<i>Jefferson</i>	<i>Westmoreland</i>

SECTION ACTIVITIES

The Western Section activities include regular meetings held each year in March, May, July, September, and October at sewage treatment works, and other related installations of interest. Full day workshops covering pertinent subjects to our industry are scheduled throughout the year, and an annual family picnic is held in the late summer.

COMMITTEES

The executive board who is elected annually by the membership administers the activities of the Western Section. The following committees were established to assist the board in carrying out its annual responsibilities to the membership.
