What is the WPWPCA?

The WPWPCA is a nonprofit professional organization dedicated to the advancement of knowledge in design, construction, operation, maintenance, and management of sewage and industrial waste treatment plants. Association events consist of:

- ◆ Regularly scheduled tours and meetings
- ◆ WESTTEC Conference
- ◆ Workshops on the latest technologies and treatment processes
- ◆ Annual Golf Outing
- ◆ Family Picnic

“WPWPCA is a great place to develop your passion for the water and wastewater industry into a career.”

Michael H.

Who is Eligible for Student Membership?

A Student Member shall be a person, currently enrolled in a college or associate degree program or Board approved formal training program, with interest in the advancement of knowledge relating to wastewater. Student Members have the opportunity to participate in the activities of the Students and Young Professionals (SYP) Committee. These activities include social meetings with time to network with peers and professionals and volunteering for local environmental service projects.
