# ABOUT US

PWEA exists to enhance the knowledge and abilities of Pennsylvania's water quality professionals, promote sound sustainable water policies, and promote public awareness of the need to protect water resources. *We accomplish this through:*

## Continuing Education:

We are a PADEP accredited training and exam provider offering continuing education opportunities to members and non-members who find it necessary to maintain an operator's license and/or earn Professional Development Hours for maintaining professional licenses.

## Annual Technical Conference:

One of the largest technical conferences and exhibitions devoted to water quality in Pennsylvania allows participants to earn continuing education credits by attending technical sessions and visiting vendors.

# OUR MISSION

**WATER QUALITY**

**SUSTAINABILITY**

**TRAINING | PDHs**

**AWARENESS**

## OTHER BENEFITS

### Registration Discounts:

Although non-members can participate in our continuing education training programs and our Annual Technical Conference & Exhibition, members receive discounted registration fees. In fact, one discounted registration will typically more than cover your entire annual PWEA membership fee!

### KWQM:

Keystone Water Quality Manager, this quarterly technical publication serves as a source of news and information to our members on problem solving case histories, legislative updates, design/process operations articles, advanced notice of continuing education, and highlighting current technology trends and issues affecting water quality.

### Job Bank:

PWEA provides monthly email/web posting communications to our members identifying career opportunities within the Commonwealth.

### eNewsletter:

PWEA provides monthly email/web posting communications designed to provide time sensitive information to our members.

### Exchange of Ideas:

PWEA promotes and fosters networking opportunities with our members to share their experiences and provide a platform to collaborate and learn.
